

Manthan Kumar Paswan

Full Stack Developer (MERN)

I am a Full Stack Developer. I'm passionate about Open-Source Contribution, React-Development, Full-Stack Web Dev, WEB-3, etc. I am always eager to learn and work with new technologies. **Collaboration** and **communication** are at the core of my work philosophy. I thrive in diverse teams where I can leverage my interpersonal skills to effectively communicate ideas, contribute insights, and work towards a common objective.
